- Mobile Computing
- Separate Wi-Fi enabled Hostels for Boys & Girls with Gym, Indoor Sports Arena etc.
- Economical & Reasonable fee structure
- Industry training and campus placements
- Well-equipped laboratories with R&D and Innovation
- Foreign university tie-ups

CENTERS OF EXCELLENCE

- VLSI & Embedded Systems
- Internet of Things
- Computational Civil Engineering
- Robotics & Industrial Applications
- Coding & Code optimization
- Non-destructive Evaluation
- Software Development
- 3D Printing
- Big Data
- SAE BAJA
- Solar Applications
- Geomatics
- IDEA Lab
- VIRTUSA-Java
- Full Stack Development

ABOUT CSI

Computer society of India is a premier professional society established in the year 1965. The registered office is located at Hyderabad. The purposes of the society are scientific and educational directorate towards the advancement of the theory and practice of Computer Science, IT and related disciplines. CSI has been instrumental in guiding the Indian IT industry down the right path since its formative years. CSI has 76 chapters, 5,00,500 student branches spread all over India. It has more than one lakh members as of now, including India's most famous IT leaders. CSI takes pride in being the largest professional of IT society.

THEME : ICICSE- 2026

The aim of the International Conference on Innovations in Computer Science & Engineering (ICICSE-2026) is to provide a platform for researchers, scientists, technocrats, academicians and engineers to exchange their innovative ideas and

new research findings in the field of Computer Science & Engineering. The conference will promote innovative research relevant to academia and industry. The conference proceedings will provide a common platform for presenting innovative ideas and research contributions. The first two conferences (ICICSE-2012 & ICICSE-2014) were a major success with more than 300-400 papers received from across the globe and more than 250 delegates from Indian states and other countries presented their research papers /concepts. The next eight International Conferences (ICICSE-2015, ICICSE-2016, ICICSE-2017, ICICSE-2018, ICICSE-2019, ICICSE-2020, ICICSE-2021 & ICICSE-2022) were conducted and they added another feather to the conference's cap by collaborating with Springer series to publish research papers. More than 550 papers were received each year from all over the globe, and research papers were published in LNNS Springer Series (SCOPUS INDEXED), Web of Science, special issues of journals of ICICSE & IIIT with ISSN numbers.
